Doesn't matter whether he's telling the truth or not. Wells Fargo is a criminal organization. Protected by the DOJ.

Slap on the wrist and performative "justice" and then back to the crime game. DOJ just gives facade of oversight.

[bloomberg.com](https://www.bloomberg.com)

Banks Financing Mexico Drug Gangs Admitted in Wells Fargo Deal

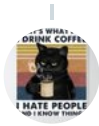

Just before sunset on April 10, 2006, a DC-9 jet landed at the international airport in the port city of Ciudad del Carmen, 500 miles east of Mexico City. A...

It's a "criminal organization"?

Uh huh.

You throw around a lot of accusations without any evidence.

But, you be you.

It doesn't matter if I'm telling the truth but as a side note I am telling the truth. The evidence that he has is the Bloomberg News article. They admitted to crime. He could easily get more evidence. Follow this thread and tell me if this bank is or is not above the law.

Wells Fargo has 250,000 employees...probably more.

Some of them, like you, are crazy.

Some of them are criminals, like any city of 250,000 are criminals.

That doesn't reflect on the entire enterprise. That doesn't make Wells Fargo a madhouse or mafia organization.

Yes it does.

It's the business model. And dopes will watch them commit these crimes over and over and still defend them as law abiding organizations.

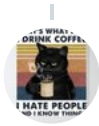

You really deserve to be fleeced.

I deserve nothing of the sort.

I bank with a small community bank and am lifelong friends with the owner.

You must not remember the 2009 financial collapse.

Every CEO got a golden parachute.

Rewarded for destroying the global economy.

Obama bailed them out while kicking 3 million families out of their homes.

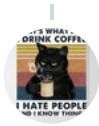

They exist to commit crimes.

It's not a lie, and the fact that you seem so committed to defending them says a lot about your character.

So don't talk about truth.

Banks are criminal organizations that collude with the government to rip off the taxpayers.

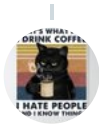

Do basic homework.

And what I describe is highly suspect and incriminating. I give all sorts of very incriminating details. I was subjected to an ongoing criminal massacre for 1.5 years. I had been collecting evidence the entire time. No agency can do this in one evening.

Massacre means murder.

You clearly are alive.

Do you mean harassment?

Do you mean fired?

Do you mean defamed?

Do you mean robbed?

What?

Take kidnapping off the list. You weren't.
