Hey Shana, quick question, and please be truthful or at least lie in a very competent way such that I believe you-

Do I come across as self centered to you? In general as a person or in any specific way?

What?!? Who said that??

2019-04-25 15:41:11 Sent

No one, not exactly

2019-04-25 15:41:22 Sent

I think i somehow come across that way to people

Look there is self centered (which you aren't) and looking out for yourself. I believe you know how to do that but I would not in any way describe you as self centered
