Thank you for your message. It has been successfully sent to the appropriate care team.

I just called the pharmacy and they say that I cannot get it filled unless you authorize an early refill. It would be 2 days earlier than the normal fill date. I cannot make it there on xmas eve most likely, due to limited hours.

Thank you for your message. It has been successfully sent to the appropriate care team.

I scheduled an appointment but first they have is 1/12/2021. I will run out of meds before then.

Can you put in a refill for adderall and zyprexa and have them authorized for an early fill on 12/23/2020?

My refill date for adderall would be 12/25/2020, but I presume that the pharmacy will not be open on Christmas.
