Sorry I started crying over the phone. I have been feeling sad because of Charles, stressed because Clinton needs a lot of money and yesterday I was feeling overwhelmed because I have a lot of work that needs done .I am also missing my little dog.I don't know if I can keep her because she has behavioral problems and Blackie gets aggressive with other dogs sometimes .Chatles loves her too and she minds him a lot better than me.Even though she has behavioral problems she is very sweet and loves me a lot.I started feeling better yesterday evening.Im up early so I can get a lot done. I think we control a lot of our own happiness by positive thinking..I'm normally a positive person and I'm back to being positive again.I have a lot of things that I'm Thankful for! Mainly you and Clinton.Also my health , the rest of my family and our land.

The good news is Clint is applying for jobs. Hr realizes that he needs to get s job and do his web business on the side until his web business takes off good. The bad news is , hr has no money to pay his rent. Is there any way you can loan the money to him? He can pay you back when he gets his tax refund. If something happened that he couldn't pay you, I could pay you some each month until I got it paid.. If you don't have it. I am going to have to borrow it from one of my credit cards which had me totally stressed out. I was going to borrow it yesterday but I knew I couldn't do it without crying in front of people.. Please don't let this make you feel stressed. If you loan it to him you will get your money back. If I borrow it from my credit card, I am going to have to pay a lot of interest. If you do loan it to him. His bank is 5thv3rd bank. His account is under Leonard C Williams Yorkridge Drive Charlotte. They have a lot of Leonard Williams accounts , so it is important to tell them Yorkridge Drive. I love you and hate to ask.

His rent is \$ 910.00

Clint is doing good he is getting his medicine adjusted .Jenny got worried about him last night and had him committed.He is not out of his mind.He is doing good.They have him on the floor where people are when they are going to get to go home soon.Clint thinks he will probably get to go home tomorrow.I started to go check on him last night, but I thought he was fine because he sent me a message saying his day was good.He said that where he is , is a nice place.He said it is like a mini vacation.The only bad thing is they won't let them have their phones .They let them call from some phones they have for them at certain times.Im glad he is getting his medicine adjusted.He talks like he is going to come stay with me for awhile .That will be good.If you can see if you can find the hospital and see when the visiting hours are and the address.I was waiting until I got home from work to tell you.because I know Clint don't want people in Banner Elk to know anything about him.Im having to work late is why I'm texting you this message.Love you!

I already have the job. They are going to officially hire me on the 30th. I hadn't did an application until today. I have been so busy this evening , I didn't get my notice turned in. I will probably wait and turn it in tomorrow. Josh the manager wants me to turn it in today. Im doing good. Love you!

Thanks for message! It is very helpful.. This morning s lady from Food Lion shopped here. She said that Josh is going to be back to work next Tues. I think talking to s counselor while I'm off , is a good ideal.. Im not for sure if I want to work at Food Lion or Scotchman with a manger coming here.. I was real happy that Ron offered me the job yesterday. With Her here , I could have days off and have money. What is good about Food Lion is I would have a lot more Free time . I want to spend a lot of time with you , Clint , Glenda, Alyssa and Clint. Plus I want to be able to go to church. I also want to see Ruth , Lindsey and Ollie. I think talking to a counselor would help know what is best for me to do.. One thing I worry about is the stress it will cause Clint , if I stop sending him money all the sudden. The place you sent the message from sounds like a good place. Do you know where it is?

2019-07-23 07:16:08 Received

What is making me sound more stressed is Charles was going to cook a dinner for Rhonda. Rhonda told him that she wanted me to be there to. I was already really stressed because the rough time I was having at work. I got real angry at Charles. I was very hurt and jealous. I was real hateful to Charles. He told me that he was only trying to encourage and cheer Rhonda up. He said that he was going to include me. I could tell that he was telling the truth. Me and him are not dating, so I shouldn't have got so jealous and mad. Love you!

I have offered to help Clinton fill out his paperwork before, but he didn't want me to.If he didn't get it done today like he planned, I will offer again.I talked with two people at Clint's doctor's office.One was a nurse.

2020-01-29 23:31:33 Sent

I told them how Clinton was doing real good, before the first time they adjusted his medicine.I told them how he is now and that I think he needs his meds to be exactly what they were before they first adjusted them.Pray they don't tell Clint that I called.I called DayMark, but their number was disconnected .I don't think mom did anything to Clint.I will tell you why I think he thinks so when we can talk.I would never take up for someone if I thought they hurt Clint or you.I hope your having a good night.Love you!
