

Call 1:

00:25 which one of my doctors have you talked to?

M: I haven't talked to any of your doctors. I just talked to the people who answer the phone.

M: I don't know who your doctors are

M: Says doctor won't talk to her. She left a message with the person who answers the phone

M: She knows she was my doctor "some kinda way" from the time I was in the hospital

M: She knew her name from when I was in the hospital

Call 2:

M: she told them that she thinks that I am in a psychotic state

M: know Jenny, think that plot ploy with Wells Fargo

M: she doesn't to Jenny

M: accuse of talking to Wells Fargo

M: you said "my friends at Wells Fargo"

M:

L: you lied to me

L: the next day you talked to John

L: you are talking to them on an ongoing basis

L: you said

M: you think the hospital is out to get me

M: She doesn't think she told Atrium that BHC is out to get me

L: multimillion dollars for crimes

M: I don't think I said that "out to get me"

M: "conspiring against me:"

L: engaged in crime on an ongoing basis

M: They're not going to commit you. They can call me:

L: they are not talking

M: I didn't talk to the people at the restaurant (she is talking about in the present)

M: Chris liked me real good

L: stop talking to my hospital

M: she says they won't talk back to her. They are not allowed 10:24

L:

M: she says she can leave a message (atrium told her this), they can't talk back.

M: atrium didn't tell her to do it.

M: atrium didn't tell her how to do it

M: talked to the

M: she says they just write it down

M: she says they don't have me down to talk to them. The HIPAA law.

M: left a message about getting my meds adjusted. 13:49

L: my behavior worries you

M: She says she won't call. She says I lie to them and tell them that I'm doing good.

L: new medication didn't work

L: by law there was no reason to commit me 19:00

L: they cannot give me medication

L: pressured speech, after they won't give me medication. Speech was barely.

L: tried to give me Lithium

L: I tell them I have PTSD and I'm pacing the floors

L: they could have used the lithium side effects as a reason

L: 21:00 I was collapsing in the floor. The technician told me to "get back in my room" "there is nothing wrong with you. Get back in your room."

L: you can see I am desperate and my heart is broken at 24:00 when I talk to her.

L: 25:31 they see those records they will hospitalize me, as a reflex. There is no reason but that doesn't matter.

M: I don't think they're going to do anything about it

L: I lay awake at night 25:00

Call 3:

L: notes say that it says they told you told me to take to novant health

M: says that they told her to take me to Novant Health

M: told me to come talk to them.

M: she claims to not know which is which

M: suggested that I bring you there.

M: you didn't want to go to the doctor.

M: put me where an opening was at

L: my hospital is lying

M: she said to take

L: didn't tell you to have me involuntary committed

M: opening thing again

L:

M: I don't think they said that

L: they didn't tell you to have me involuntarily committed

M: they didn't

M: it was my decision

6:50, notice how long it is taking her to make replies

M: it was my idea to have you involuntarily committed

L: did they say anything about involuntary commitment

M: its not their fault. I did that because I was worried about you

L: did they tell you anything about that? It looks like they told you to have me involuntarily committed to novant health

M: I don't think they said anything about that other hospital

L: did they say anything about having me committed period?

M: "I'm trying to remember. I'm trying to remember if they said anything about it at all."

L:

M: "they sent you there because they had an opening"

L: Atrium didn't say anything at all about having me involuntarily committed?

M: your friend stephanie, her husband died recently...(buying time) 12:17

L: stephanie?

M: need some help here at this store

M: are you there?

L: yeah

M: going to look on her computer. Talks about needing help. 14:36. Switching topics

L: why did you tell me that they never talk back?

M: I do think that they do say that if I felt like it was in my best interest they could have you involuntarily committed. I don't remember them saying anything about the other place

L: why did you lie to me?

M: I had to think about it.

M: It was not their fault it was my fault. 16:40

M: Charles thinking of involuntarily committing mom (switching subjects again)

L: they do back to you every time?

M: they never say anything personal about you at all. They are not allowed to

L:

M: they told me that I could 19:00

L: they said could or should

M: I can't remember

L: they talk to you every time

M: they don't tell me anything personal about you

L: they didn't tell you that you should

M: They did say that I could call the magistrate

M: they didn't say anything personal about you

L: They didn't tell you about the process

M: They did tell me the process 23:00

L: they never said that I should be involuntarily committed

M: they told me about the process. If I felt like it needed to be done.

L:

M: they wanted you to come and talk with them if you would
