Please help me

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I'm very sorry but I cannot control myself at the moment. Please make this bank make it right. I cannot take any more torment. If they do not settle with me, my mother will have to move into my apt so that we can pay the bills. This is another nightmare and I need to avoid this nightmare at all costs. I absolutely hate the thought of living with my mother in this one room apartment. I am in torment already. I will get my brain scan tomorrow. --

Warmest Regards,

Clint Williams
