Thank you

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I want to thank you for all of your efforts to help me. I have recently fallen back into a state of mind where I am not conscious of the burden that this situation imposes on you. This has been reflected in some of my communications. You have my apologies. This situation is frightening and it causes terrible suffering. Please understand the limitations that I have. This will turn out well for everyone, if I have any say over it. That's how I feel right now. I'm a firecracker and may change my mind.
