Help me

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

My life in Charlotte is about to be over. My mothers retirement has been completely spent. Please help me. If you have heard bad things about me or my character, please tell me and let me give my side of the story. This is opposed to taking what other people, who are facing prison time over me, say about me at face value. This is the destruction of a kind hearted man's life. Please do something to stop this destruction.

This thing where I am conveniently left out of the conversation is cheating. It is a cowardly move done by people who are scared to hear the truth. Please be different than these other people who act in this cowardly way.

I need you to help me. I contacted you because I believed in you. Please help me.

Clint Williams
