Please help me

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I cannot tell you how terrified and paralyzed with fear that I am. Make this bank make it right. There is over 100 years prison time to go around. All I'm asking for is a little bit of money to save my new life, the life that is all I cared about and which Wells Fargo has all but completely destroyed!

Do you have any humanity? Do you care at all about the devastation I am feeling and the destruction of this life that I worked so hard for? I did nothing but work for 20 years, before Wells Fargo demolished me. I have at this point hardly had a life at all, other than work. The payoff for my work was to come later, and then I was massacred by this bank because I asked it to tell the truth. It was all for nothing because I made the mistake of working for this bank.
