I can't do anything

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

My health condition is so bad that I will never be able to have a life unless they make it right. I cannot clean my apt. I cannot fill out paper work without absolutely murdering myself. I will never, ever be able to have a job. Almost Everything that I do is extremely taxing. Please help me. Make this bank make it right. By the way, there is a remote chance my media contact reconsiders running my story. I need this nightmare to relent. Please help me save the life that I have. Please help me save what is left of it. --

Warmest Regards,

Clint Williams
