I want things to be ok for everyone

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I don't want anything bad for anyone. There has to be a way to handle this situation so that I win too. I am paying the full price of what has happened. I have no responsibility for it and I am the victim. The price is supposed to be paid by the people who did wrong.

I understand about the economy. I understand most or all of your concerns. We need to work together to make this a good thing for everyone, including making it right for me. the damage doesn't have to be so bad for the others.
