**Forget those audios**

**To:** "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I'm feeling bad for sending those audios. I make some important points but my behavior is unbecoming. It may be best that you do not listen to them. I need to learn to have a more positive take on Wells Fargo and to make that positive take stick. I continually go back to seeing them in an unfavorable light.

If you put yourself in my shoes and take into account my limitations, I think you can understand my behavior.

I do believe you have done things to help me and I thank you from the bottom of my heart.

Right now I am facing the loss of the life I built in Charlotte, and this is my worst nightmare and the greatest heartbreak conceivable.
