**I'm sending atrium a settlement letter**

**To:** "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I am going to send atrium health a settlement letter in the next few days. I need them to help me. Please make sure that my settlement letter doesn't trigger more healthcare fraud. If that happens, I will get another heart injury and it will put me out of commission for days or weeks. I need to do my disability application, as it is one more thing that might help save my life. If they give me another heart injury I won't be able to do my paperwork.

I ask that people please show kindness to Me and that they help me. It is terrible to suffer as I do and to be left to suffer by people who can help me at not much cost to them. I cannot tell you the sadness and pain that I feel.
