I am sorry please help me

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I am sorry for all of my angry outbursts and all of the bad things I have said about Wells Fargo and this situation. I will do whatever you and Wells Fargo need me to. Please tell me what you need me to do. Please consider that I am disabled and some things are beyond my capacity. I am terrified and need help very badly. I will take whatever they are generous enough to give to make it right for what has happened to me. Thank you for dealing with my neediness and suffering. I send you a lot of emails. I want to do something good for you and I will do something good for Wells Fargo too if I can. It would mean the world to me if they will save my life in Charlotte. I will not send any more angry audios if I can help it. I suffer so extremely and my behavior at times is very hard to control. Please help me. I will do whatever it takes.

Clint Williams
