**Please help me and an apology**

**To:** "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I will get another heart injury if they file for eviction next month. I ask that I please get some help as soon as possible.

I have further reflected on my behavior and I have been ungrateful and also self centered. This is a very hard situation for you to deal with. You are trying hard for me, I believe. I am very thankful for the us doj and others who may be on the other side of this. I am also thankful to Wells Fargo for the good they have done and their efforts to help me. I am trying to resolve a conflict with Wells Fargo, and I have not considered their needs and their feelings nearly enough. I have treated them like a bad guy, even as they have done good. My profound suffering plays a role in my behavior. I also seem to not be able to appreciate the other parties' position, without them kind of putting it in my face. I have slipped into a self centered way if behaving as a result of all of this. This is no excuse for my behavior, but just my insight.

I am deeply sorry and I feel very bad about this. I'm sorry for my role in this situation that we have. I really want to make it right with everyone and I ask for people to make it right for me too. I will do anything that I can to help any and all parties on the other side of this. I do not mean to be selfish and rude. I have also said too many unkind things.

Clint Williams
