My condition

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I took an extra adderall and was feeling better for a lot of today. In the past hour I have been hit with shell shock and its terrible. I've been pacing and am in terrible pain.

I want to think about you and Wells Fargo, when I talk to the media and things like that. I would ask that you also think of me and try to make my situation better. I ask that you try as hard as you can and make it happen. It is fair that you think of me.

Wells Fargo has been vicious with me at times. My unbecoming and ungrateful attitude may have provoked this. I am very sorry for any and all such behaviors and attitudes, to all parties. I believe efforts have been made to help me and I desperately need you to help me. Please make this right.
