Please help me

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I'm in horrific pain and will live the rest of my life in even worse misery if they cannot help me. I will be losing my apartment next month if i can't do something about it. This process has not been fair to me. No one ever tells me what's going on or what I need to do. I am left in the dark as I sit here and suffer. This causes me to behave in ways that are unbecoming. I am severely disabled. I am poor. My family is poor. I have nothing, my family has nothing. Please show some mercy and kindness to me. I need help very badly and I cannot tell you how much I suffer.

I want a happy day when I know that my suffering will be handled. I will never be better. The only chance that I have for a life of something other than terrible pain and misery is if they help me and make it right for what they've done.

Please everyone stop massacring me. I cannot take any more beatings and I need you to help me. I have been treated with such cruelty. God I am hurting. I cannot manage my life. I cannot pay my bills or manage my paperwork for things. It comes in faster than my broken brain can deal with it.
