Give me a sign

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

There are bugs with my email client. You may get this email 3x.

I need some sign that people are going to help me. I need it very fast.

My next move to get help is to make videos and make them go viral. I will be detailing the crimes and Wells Fargo's rotten behavior. This may create problems for you and them. I want us to work this out but I have and have had EXTREME URGENCY in getting relief from this nightmare. I cannot afford to hedge by bets if I don't know that people are trying to work it out with me.

I am suffering extremely and my suffering seems to go on and on and on. I can't take it. I have not been able to take it for a long time. The point will come when I give in. No human being can endure this forever. Most would already be dead.

I will likely be in despair tomorrow and unable to make videos. The next day I'm not sure. I'm not sure when I will be able to make them. As soon as I can, I will make them. If you can give me a sign, I will delay them. We need to work this out. Please help me.
