**If I'm too fast I'm sorry**

I know that I am extremely needy. I ask for a lot. I have this extreme urgency because my life is against the wall. I am suffering so extremely and I cannot take it. To me it seems so easy to get me some relief. There may be more constraints on your side than I give you credit for. I never know for sure what is happening. This is killing me. If you are working hard on this I thank you. I thank you in all cases. I am extremely needy and put a lot on you. I need this to be over. It is killing me. If you would talk back we could work something out. --

Warmest Regards,

Clint Williams
