**Please help me**

**To:** "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I'm sorry that I sent you that angry audio. I went off the deep end thinking. I am in incredible pain and terrified. I will do whatever you and they say. I just need them to make it right. I don't know what I'm supposed to do. I am facing a life that I cannot live. This helplessness and misery that I live in will never get better.

There seems to be a belief that there should be something that could be done to make me feel better. There is not. Not all problems have a solution. The only thing that will help me is if they compensate me so that I can live a life. I am severely injured.

Please help me.
