Update

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

Thus far, I have sent the LA times reporter a snippet of a chat with Courtney, the 4/16/2019 call with Jenny, and a set of phone calls with Shirley + Corporate privacy. I also sent her my complaint weeks ago.

This is all the info that the media has and has looked at. I am going to take a break from all of this. I have inundated you with emails. I'm sorry for this but I am scared and in terrible pain.

I'm going to do my best to not email you for the next 2 weeks. I want to give you time to work things out. I will also stop sending the media stuff for these 2 weeks. If the media gets back with me, however, I will respond. Effective immediately I will stop telling new people that "Wells Fargo kidnapped me". This may be creating a problem.

At this moment, not many people know much. I've shared what has happened to me with maybe 10 or 12 people + some people on a Facebook forum.

I also have been calling law firms. This last one, I expect to deny me and that will be the last one for a while.

I would ask that you please help me and I would also very much like us to talk. I am not a loose cannon, as I may seem. I can keep a secret.

I apologize in advance if I break my promise and end up emailing you again. I will again say that I will do anything you ask me to. My life depends on these people making it right.

--

Warmest Regards,

Clint Williams
