Thank you for everything

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

It is hard for me to tell if the people on the other side of this care about me. I want to think that you do and that's what I believe as I am typing this.

I panicked a lot yesterday, but it was a good day. I've had 3 good days out of 4. Maybe you care to know that I've had a good day.

The reason that I keep telling you that I am genuine when I'm recording audios is that I feel like I have to defend my character. I'm a very good person.

But this email is about you and thank you for all you invest in me and my neediness. I am horrified by what may become of my life. If you can make them help me, it would mean so much.

But again, thank you. You have saw some unbecoming behavior and done plenty else. You do this on top of all you have going on. Feel free to talk to me. I've kept my word about not mentioning this. If I come close to losing my apt I may lose it. If I can get past the 6th, when mom can supposedly pay, I can make it to the 15th.

--

Warmest Regards,

Clint Williams
