## **I need you to help me**

**To:** "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I am still in very bad condition and am unable to work. Symptoms are back today. I have done everything that I can for you. I sent a complaint that references crimes for which there is an aggregate scores of years of prison time to go around. I had my poor aunt pay for my brain scan.

I have deleted all of my posts about Wells Fargo. I have done everything that I possibly can to make this a win/win. You have been given my wishes for this to be a good thing. You have been given examples for how this can be a good thing.

I am a devastated, pulverized, and destroyed human being. I need justice. Thus far we don't have a win/win. We have a situation where I continue to lose and to suffer. I need you to please help me. It looked like you were going to help me when AU girl came on the scene. That was a very happy time. Now I don't know what you are doing.

I have had ample patience with you, as I see it. After being pulverized with crime for 1.5 years, I send you a complaint. I have an air tight case, and I actually had an air tight case many months before that. For now 8 or 9 months, there is no relief in sight. All we have is my poor mother cashing out her retirement, my poor aunt wasting her money, and me being disabled and suffering
