I need your help and I'm sorry

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I'm sorry for getting upset earlier. I'm also sorry for the talk about dying. I don't know what to do. I need your help very badly. I am suffering extremely. Today was a terrible day and I am very very unwell for the long term.

I feel helpless. I am helpless. I am severely damaged. Please help me. Have them make it right. I could get by for the rest of life with what doesn't amount to anything for them.

I say that the bank appears to be a deeply broken institution. This is just from what I have saw. I cannot say for sure. What I can say is that I hate all of this destruction. I hate the destruction I have been dealt, and I hate the hardship of this bank and the potential for more damage to this bank.

I want a good and happy ending for everyone. I need this to be fair for me. Please help me.

Clint Williams
