I care about you, please care about me

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I worry about the bank and what hardship it may face. I want to see it do better. I do this even after it has murdered me. I am suffering from this terrible destruction. I suffer unbelievably. My life will be nothing but misery if you don't help me. Please help me. Please prevent my life from crumbling. They did this to me. Please care about me the way that I care about you. --

Warmest Regards,

Clint Williams
