I'm going to keep my promise

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I'm going to keep my promise. Please see to it that I have food and that my rent is paid each month, at least until I get disability. I'm going to die in not much longer, I believe. Unless this brutal stress that I live under is lifted off of me, I will not make it. It is weakening and taxing my system. I feel like I might die tonight. That's the feeling I have. It will not happen, but this feeling counts for something. I am incredibly weak and will not last much longer. I can feel how my system is being weakened. I'm asking you for help. You are the only one who can help me, until I reach out elsewhere, and even then it is only you in the end.

Clint Williams
