I'm going to die

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I'm sitting here damn near about to have a heart attack, and I'm getting an email about my past due bill for the brain scan that Wells Fargo wanted. Why do they want this? Please make them make good on this and make it right for me. I'm going to die. My poor aunt had to let one of her bills go past due for a month to pay the down payment.
