"last" audios part 1

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

The point of these is that this is over for you. I also give apologies. I at least need someone to talk to, so please keep reading my emails. I am suffering extremely. I need a trier to help me. I explain other things about needing help. I am going to let everyone get on with their priorities and I am sorry for this situation. I may send you more audios in the future, but I title these "last" because they mark the conclusion of this fight I have been fighting. The fight for my life will go on and I hope I don't lose, but the fight with this has ended. I hope that relieves you and makes you feel good. I hope you get a great night's sleep because of this.

Warmest Regards,

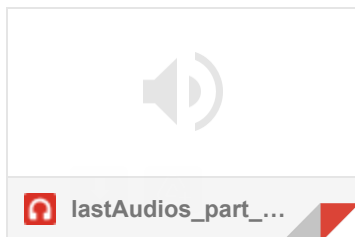

Clint Williams
