This is bad for me

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I ask that you please help me in some way. The faster I can get help the better. I am suffering so extremely and I'm going to die if things don't get better. The stress of my life tanking is killing me. I am eating constantly and losing weight left and right. I am paralyzed most of the day with fear and am having chest pains. I will die from my heart in the next 20 days. It is this fight for my life killing me. I am being crushed with fear daily. --

Warmest Regards,

Clint Williams
