Re: I need you to make this right

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

Sorry for being kind of rude. It has been a long time since I reached out first. You want to help me. You have shown that. I need help fast. I will do whatever I have to. My unbecoming behavior is a result of my suffering. I cannot help it. Please have mercy on me in the same way that we have mercy on all others involved.

Warmest Regards,

Clint Williams
