I need you to help me

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I am not much more than a vegetable, with my condition. I am not fit to live with others and I am severely damaged. I would not be asking you for help if I didn't need it.

My medication withdrawals are setting in very intensely as of today and it is torture. Far worse today than yesterday.

I ask that you please help me. I need my medications and I need resources to make it through life.

If this could be made right, I would forget about the whole thing. I am extremely damaged. It doesn't seem that you understand just what a massacred human being I am.

--

Warmest Regards,

Clint Williams
