**Please be my friend**

**To:** "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I have been your friend and you have been a friend to me. I am decimated and I need you to help me. Life has not much else but suffering in store for me if you do not help me. I want this to work out for everyone. I need for me to get help from you out of this. I cannot get disability due to the deliberate inaccuracies in my healthcare records.

Warmest Regards,

Clint Williams
