Re: Let's end this

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

If they can up my dose on the 1st, I can likely get a job pretty fast. I am an expert on loan mods and there will be a flood of applications when CDC order is lifted. If they do not up my dosage, I will have this life of terrible suffering that I have spoken of so often. I will keep my promise to you even then, but it will be a horrible outcome.

I speak in ways that are not good in reference to the people on the other end at times, but think of what it is like to be me? Would you not feel the same way? I try to see the good in you and I usually do. Your actions are heartbreaking however. This is almost over for you, if they will work with me on this last request to get my meds filled. It will quite likely be over for me if they will up my dosage. Otherwise my suffering and feeling helpless will remind me of this daily.

Warmest Regards,

Clint Williams
