Re: Let's end this

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

If you ever did intend on helping me, I wish so bad that you would have told me what I'm supposed to do. I'm going through horrific suffering and am left to make my decisions blindfolded. I can't take another minute of it and I know the cost if I don't get help. So I do things to speed up the process, or at least try to. I tell you everything that I'm doing, as I do it. I try to be a help for you. I cannot help but lash out, and the people on the other end seem to hold me to the same standards that they would someone who isn't handicapped and who isn't injured so badly.

My heart is completely broken.

Warmest Regards,

Clint Williams
