I ask you to be my friend

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I cannot tell you how heartbroken I am. I want you to be my friend. I want to be your friend too. Please include me in the conversations about our situation. I can work with you to get an outcome that works for us all. As of now, I'm being brutalized, over and over. I am at a place where I think I can possibly save my life in Charlotte. Im terrified as to how your next wave of abuse might jeopardize that.
