**Thank you for being my friend**

**To:** "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

You were my friend when you got me AU girl. I was your friend too. I am still your friend. I want things to be good for you. I want you to still be my friend. This situation saddens me like nothing else. My heart is completely broken.

My behavior has been unbecoming at times in recent months. You have also done wrong by me. People disagree at times.

I want to heal my crushed soul and this situation is murdering me. It doesn't have to be a bad thing for anyone. It can all be made better.

Please be kind to me and have mercy on me. I need to be able to work again and to continue with my life. I need my life in Charlotte, which has been under attack since December 2017. I am asking for this to all relent.
