Re: Please help me

Please help me. I am living a nightmare. You are the Justice Department. I am terrified about any further waves of abuse. I am feeling this terror, at the same time as I have tried to work with you and am still trying to work with you. There is no reason for such merciless abuse. I will do what you ask me to. I am being massacred, as if I have opposed you for one second of one day. There is no need to do this to someone who is trying to help you and look out for you.

Warmest Regards,

Clint Williams
