Please help me

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

You can see that I'm starting to get anxious about my appointment tomorrow. I ask that things be done that are good for me. Let me win this time, please. I did nothing to deserve any of this. I'm also wondering as of today, what is my biggest problem. I think the answer may be my family but I don't know. I just know that I have been crushed from every angle and it hurts.

Please think of the kindhearted human being who is typing this to you. Please consider all he has done to help you. I worked so hard my whole life. I was out to be something, and to be something good. This is so sad, what has become of me.

Clint Williams
