## Audios for 10\_01\_2021 part 01

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I ask that all major decision makers in this process listen to these. There won't be many more audios. These address the heartbreaking conclusion that we have reached. The entire global economy will go on at my expense. I paid a massive price so that it can, and I get absolutely nothing for it, after I killed myself my whole life to be the best person I could be. I am a ruined, demolished human being, and this has been done to me for no reason. I didn't know that I am not allowed to have an argument with my friend, because I worked with her at Wells Fargo 2 years ago. I did nothing to deserve any of this and there was no way that I could have ever seen it coming.
