Re: I need to know what to do

If I can get my medication at 60 mg adderall, I will stop going to Twitter, Facebook, etc, and I will kill my cloudfront distribution. If I get some movement from the preexisting campaign I will follow up. Otherwise it will be over.

I will just take my reality for what it is. I know Wells Fargo wants me to get a lawyer and take them to court. That will never happen.

Warmest Regards,

Clint Williams
