**Please help me**

**To:** "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I am a demolished human being. I can't do anything. I need this bank to do something for me to make it right. I am so extremely handicapped. I will not make it through the rest of life. The bank is part of the picture for how we got here. It needs to be part of the picture for how we get out of this.

It is strange to me how you haven't helped me. I don't know why this is. I'm acting in good faith towards you and have been.

I think it is the consequence of the bank suggesting that anything I say is true. I think that may be the hold up. We can work around that.

I am destroyed and I need help. Please justice department help me.
