**It's just me and you now**

**To:** "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I send you some updates on my condition. That way you can see how I am like for parts of the day that I am not making audios for you. I suffer extremely and am extremely handicapped. You need to please help me.

What is happening to me is inhuman. I am on your side if you will just please help me. I'm working on not talking about this to my personal friends. I can make the whole thing disappear for you. In light of that, maybe you can help me. I am needing help very badly.
