I fell off the wagon

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I am trying to keep this between you and I. That was my commitment. I consider lawyers fair game because that's what Wells Fargo hinted that they wanted. I closed my Twitter again.

I understand that my behavior is offensive, but I promise you that my feelings are valid. Anyone else would behave like this or, more likely, worse, if they were suffering like I am.

I have done no wrong and I need some way to know what to do to get out of this. I really need help, but if I can't get help I need to know how to get my medication back. I need out of this.

I will make some audios tonight.
