Re: Please help me

It's easy to beat up on a disabled man. That doesn't make it right. I am on your side as soon as you help me. I will defend you.

I know that you have constraints and feel like a lot is at stake. There is no reason this bank can't make it right and still go on. The way I am being treated is completely immoral and also cowardly. People do not seem to have the courage to talk to me and hear my side. They know that all the things they have been told or made up about me are wrong. That's my guess.

Warmest Regards,

Clint Williams
