If you would please contact me. It is very strange how nothing is being done to help me. The behavior that has been directed at me is very cruel. It is cruel how I am left to suffer. There is some reason for this. I am a good person. Any claims to the contrary please make me a part of the discussion. I said some crazy things 20 years ago. I had a hard life. I moved to Charlotte to escape all of this. One bad period in someone's life shouldn't doom them for life. This is what has happened to me, however. People make mistakes and I am willing to forgive all parties, if you care about that at all. I want to be your friend and I want you to be my friend. Please contact me and help me navigate this situation. I am completely clueless. I don't know how to handle under the table cover up stuff like this.

Warmest Regards,

Clint Williams
