Re: Please be kind and fair to me

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

I got the brain scan that you wanted. It was absolute murder getting that brain scan. I've done what you wanted. Please make this fair for me.

If Wells Fargo pays me, I can have my life in Charlotte. I can pay the bills that I currently cannot pay. I can put bills on autopilot. I can pay people to help me with the stuff that I cannot do myself, because I am handicapped. I will be able to fend for myself in life, with my life here in Charlotte intact. We can end this discussion and all of this related to this issue.

You will have done the right thing if you help me. It will feel good for you, I think.

Warmest Regards,

Clint Williams
