Re: Please do something for me

I have been thinking about it, and I will die having never known what it is like to be in love. That is a consequence of what has happened no matter what.

I am too disabled. I have nothing to offer any woman. If you make it right I will still have nothing to offer. I cannot go out. I can't do much of anything. What will happen is whatever woman I have will get sick of my limitations and start to scheme to take my money. I will not be able to police her and she will succeed. They will take my money away, that I need to live, as I am helpless. There is no point in trying to have a woman in my life. This is all it will get me. I will still mourn AU girl for the rest of my life. I felt like I had something then.

this is the pure destruction that has been poured on my life, for no reason. I cry sometimes, when I see a pretty woman on a YouTube video, Knowing that I will never have one, as the culminating result of decades of cruelty directed at me. I'm sick of crying over my life.

Warmest Regards,

Clint Williams
