I joined the Wells Fargo sucks group again. I wanted to share my complaint and videos. The admins took my post down because it is not "a banking issue that others can relate to".

All I want is to stop this life of terrible suffering that I have ahead of me from happening. I want to end the suffering that I have now and to stop that life from coming to fruition. I did nothing to deserve any of this ruthless and heartless cruelty that has been directed at me.

Please give me my medication back. Please settle with me.

Warmest Regards,

Clint Williams
