Update

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>

At the moment, I think the most likely outcome is that I die. I went to this bank for a JOB and this is what we end up with. It owns my life and is going to murder me, while you watch and do nothing to save me. I will still plead for you to help me, but it seems that you are quite content with watching me die. I have been tortured to death by your criminal abuse of me. I am going to die.
