**I'm going to die**

**To:** "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, "civil.feedback@usdoj.gov"

I am likely speaking to people who do not care. I've never seen such heartless, indecent cruelty in my life. You are probably going to rob me and rob my dead body. I am sad over the end of my life. You and Wells Fargo and atrium health are going to be murderers. You will live and likely you will live in good circumstances. I will die in terrible pain, fear, and humiliation. I will die proud of who I am, however. I will not die as a vile, vulgar person like you. There will be no regrets about my efforts to be the best person I could be. I would do the same thing again, even knowing the outcome. I would never be like you, not at any cost. There is nothing worse on earth. I am filled with sadness over the tragic end of me. God damn you people.
